Subject: Access

Mike – Attached is a spreadsheet with **some** (*not all*) of the locations where we need access for this field season. If you look on the Cement Creek tab, there are a number of locations where we need contact info – see the cells in Column E with green fill & red lettering. If you could search your databases for both phone #s (Column E) as well mailing addresses (Column G), that would help us a lot.

Last year I found a number of instances where the SJ county Assessor's mailing address (Column D) did not match what you were able to find. Let me know if you have Qs.

Thanks

Paula Schmittiel
